Dear Wesleyites, Parents, well-wishers and Wesley community

Wish you all happy holidays and a big thank you for your tremendous support in 2009 in particular communicating Wesley's message around the globe.

The year 2009 was a year of renaissance for Wesley. We are ecstatic of Wesley winning the Inter-school Debating Championships and becoming the "B" division Rugby Champions.

The Wesley Western Band and the Hewisi Band has been a huge asset and is growing to be THE BEST. Our sports teams are doing well and we can expect a great cricket season for 2010.

Year 2010 is expected to be one of the best from the glorious 136 years. The academic performance and co-curricular activities will certainly make all Wesleyites around the world "Proud to be a Double Blue, true Wesleyite".

No time in history has the students, parents, teachers, old boys and well-wishers of the Wesley community bound as a fraternal band to raise Wesley's standards high and far.

Wesley looks forward to your participation and hope you will share and enjoy the merits and accolades throughout 2010 to celebrate 136 years of Wesley's contribution to educating Sri Lanka's youth.

With wonderful memories and a big thank you.
